MINUTES OF THE MEETING HELD ON MONDAY 4th FEBRUARY 2008

The Chairman welcomed everyone and opened the meeting at 7.30 pm.

ACTION

OPEN DISCUSSION:

A question was raised from the floor concerning the new community shop, and what would happen if the Community Interest Company (CIC) went bust. The response was that the CIC has a contingency fund to remove the building and restore the land back to its original state, in the event of failure. It was also added that the venture would not fail if the village supported it fully.

A question was also asked concerning the gate to the school playing field, and whether a pedestrian barrier should be erected in front of it. The Parish Council feel that this is an issue that the PTA should take up themselves, and the Council would back them. However, it was also noted that vehicular access is often required to this gate, and to block it with a road-side pedestrian barrier would be counter-productive.

SID (Speed Indicator Device) has been in use in the village both in Holbrook Road and near the Gardener's Arms, and 16 cars were registered doing over 30 mph (between 34 - 45 mph).

Concern was raised concerning an informal gathering/party held behind the Community Hall. *It subsequently transpired that this was an official booking for an 18th birthday party in the hall.*

POLICE REPORT:

No Police representative, but Clerk had received the SNT report for December 2007, which indicated just one reported crime in Stutton - Phone abuse

DISTRICT COUNCILLOR'S REPORT:

The thatched cottages in Tattingstone will be put up for sale by auction in March. The proceeds will be used to provide affordable housing in Tattingstone. There is some land owned by Babergh in Tattingstone, and there are six locals who require affordable housing in the village.
