

# YOUR SHOP NEEDS YOU!

Do you occasionally have a couple of hours to spare?

Have you thought about volunteering to help out in the shop?

Meet people, renew friendships and make new ones.

Help make the shop a friendly focal point for everyone.

The shop building is now in place next to the Community Hall and after refurbishment and fitting out, it is hoped to open around mid October

We need more people to serve in the shop on a volunteer basis who are willing to devote a couple of hours once or more times a week. Even once a month would help us. We hope to be open everyday.

Work will not be difficult, will be in 2 hour shifts and training will be given. No regular commitment regarding days or times is required, just a willingness to help us when you can, for the shift(s) that suit you best.

If you are interested in being one of our Volunteer Helpers, please contact Martin Delacamp, who will be the Shop Manager, on 327024. If you know anyone else who might be interested, please help us by putting them in touch with Martin.
