

OPERATION SPARROW

Saturday 3rd March 2012

9.30am

Stutton Village Hall

House Sparrows are disappearing.

In the last 25 years the UK population has declined by 67%!

- There are still House Sparrows in Stutton and we want to keep it that way.
- Everyone is welcome and everyone can help to make a difference and step up for nature.
- If you have House Sparrows visiting your garden or nesting in your roofspace, nestboxes or hedges we would love to know.
- For more information or if you would like to report a sparrow sighting, please email operationsparrow@gmail.com, call 326999.
- Follow the project on TWITTER @stuttonsparrows

After the launch, there will be a wildlife walk down to Alton Water
